Support your Mountaineer Booster Club!

The Booster Club is a non-profit organization, which supports ALL athletic teams at Bernards High School. Our membership is open to all interested parents and supporters of our athletes, teams and coaches in the BHS athletic program.

Funds are raised via annual Membership Dues and fundraisers. Our fundraisers are both sport specific and general fundraisers that share benefits with all of our student athletes.

We encourage families with multiple students &/or involvement in multiple sports to consider a higher participation level. We also welcome and encourage parent volunteers. Please consider volunteering as a team liaison to help coordinate coaches' needs and fundraising opportunities with the Booster Club. Consider volunteering at fundraising events during the year. All are welcome at our bi-monthly meetings. See the Booster Club web page at shsd.org for additional information.
